

## **Welder/Fabricator II (Pay Range \$21 - 24/hour)**

### **Job Description**

Welding, fabricating and repairing equipment used in agricultural processing facilities. Build and install catwalks and equipment stands. Apply MIG, TIG and arc welding techniques. Fabricate using sheet metal (mild steel and stainless steel). Read blueprints and prepare materials/set up for welding. Fully proficient in welding and use of related equipment. Works independently within established procedures associated with the specific job/project.

Maintain a safe and clean work environment on the job site. Lift or hold heavy pieces of metal in place while welding. Work long hours while standing, often in hot conditions. Work in tight spaces and at elevated heights. Maintain daily time records.

### **Qualifications**

- High School Diploma or GED
- 3-5 years of related experience
- Will be required to obtain welding certification upon hire
- Pass pre-employment drug screen
- Valid CA Driver's License and good driving record

### **Employee Benefits**

- Full-time employment with opportunity to work overtime
- Competitive pay which rewards performance
- Health Insurance (medical, dental and vision)
- Retirement Plan with Company match
- Paid Vacation and Holidays
- Life Insurance, Accidental Death and Dismemberment Insurance
- Clothing Budget
- Referral Bonus Program
